

# DIGITAL MILE × BUBBLE DAYS

## 1 MS DIGITAL 1 MILE

MS DIGITAL MILE is joining the Bubbledays, and as partners, we are offering all DIGITAL MILE members a unique place to celebrate, network, and relax on our floating area. Enjoy an incredible view of the Linz harbor and refreshing drinks.

We are an association of IT companies, a community of innovative minds, spanning a mile from the Danube promenade to the industrial zone in Linz. A place where over 110 highly innovative digitalization companies with more than 3,500 employees bring their ideas and visions to life. We are a community that inspires people around the world to collaborate with us in shaping the future.

## LEND A HAND: Celebrating for a good cause

At Theresiengut, an organic farm on the Pöstlingberg (Upper Austria), adults with disabilities find employment and a place to live. It is a place that becomes a home with self-determination and further development. Support is personalised and tailored to the strengths of each individual on our farm.

Around 42 disabled people live and work at Theresiengut. An allround transporter is needed to ensure that they can be transported safely and efficiently: for excursions, therapy sessions, shopping, etc. DIGITAL MILE would like to support the project and is collecting money so that this transporter can be purchased.
